

KWIH's remarkable 30 years in Mainland China

“30 Years and Beyond” - K. Wah International (“KWIH”) is celebrating the 30th Anniversary of the Group’s presence in Mainland China!

KWIH ventured into Mainland China market in 1992. Throughout the past 30 years, the Group has strived to support the growth of mainland cities with remarkable projects adhering to the philosophy of “Impeccable Quality Superb Lifestyle”.

To commemorate this milestone, we are delighted to launch the 30th anniversary logo under the theme of “30 Years and Beyond”. Capturing iconic buildings at some of our strategic focus cities, including Shanghai, Nanjing and Guangzhou, the logo illustrates KWIH’s consistent commitment over the years, and vision of contributing to build a better future.
